- Meeting Point Welcome House

Meeting point and community support programme

Focus on creating meetings between newcomers and locals.

- Every Tuesday 15.00-19.00
- Language café, dancing, singing, cooking and more
- Activities for children
- Swedish course with focus on labour market
- *Community support programme* – facilitating integration process of newcomers through engagement of local citizens

In strong collaboration with civil society and local associations that organize activities.

Outreach work

Together and in collaboration with:

- social housing resources
- language schools
- civil society
- Stockholm health care services
- municipal organisations

Aim: to reach those who find it difficult to join initiatives and activities for newcomers, or have not heard of those services.
